EMPLOYMENT

Education and Outreach Coordinator October 2012-July 2014

Jubilee Women's Center, Seattle, WA

- Taught courses for homeless women in MS Office, job readiness, web design, and financial management, as well as individual tutoring on basic computer skills and resumé-building.
- Developed a 10 week MS Office skills course.
- Designed flyers, posters, and other promotional materials for the Jubilee Learning and Opportunity Center.
- Increased education program capacity by standardizing classroom guidelines, registration procedures, and course content.

Program and Events Coordinator April 2012-September 2012

Rebuilding Together Seattle, Seattle, WA

6 month contract

- Facilitated outreach and logistics for a two-day community revitalization event which resulted in six rebuilt homes, the installation of a new playground, and distribution of over a hundred weatherization kits during a period of under-staffing and limited resources.
- Managed event partner communications between Seattle Public Schools, Lowe's Charitable and Educational Foundation, Carter's Kids Foundation, Rebuilding Together National and multiple local businesses.
- Handled event registration and logistics for a 250-person tailgate and game fundraiser.

Campus Organizer

August 2011-March 2012

*WashPIRG Student Group, Seattle, WA**9 month contract*

- Grew a college internship program from 5 students to 50 in six months by spearheading outreach efforts to over 5000 students, including presentations, social media, and visibility events.
- Managed layout and content for the WashPIRG Student Group website.
- Taught a weekly, for-credit college course on community organizing skills to 30 interns.
- Served as a liaison between the students and city council/lobbyist groups in organizing petition drives and press events for Seattle's 'Ban the Bag' campaign.

Center Director

2007-2010

*Appalachia Service Project, Johnson City, TN**Seasonal Position*

- Launched and directed seasonal emergency home repair centers, managing a team of 4 and a \$110,000 annual budget in planning and conducting repairs on 45 houses.
- Coordinated 2,300 teens and young adults in week-long home rebuilds. Maintained shelter, adequate meals, and nightly programming for the volunteers and provided assistance with planning, training, and travel arrangements.
- Improved the project selection protocol, clearing a backlog of over 250 applications in one month.
